- 36 teachers,
- 1 headmistress,
- the parents community of Opera,
- a local authority, the Council of the Institute (an administration formed by parents, teachers and the headmistress).

What did the school community receive from the project?

- A training course taught by a native English teacher on the method used to teach english at school
- Training days at:
 - Reggio children
 - Montessori school in Como
 - Theatrical school for children in Morimondo, Pavia
- Mobilities for 10 teachers in 3 European Nations
- The opportunity to create and share a method of working with the children

What did the school community receive from the project?

Our children have learned that there are not only separated States (flags) but that we can live all together with one big flag, which is EUROPE

What we would like to tell you about our project?

- Baby sign program is a method; it helps people who speak different languages to understand each other. It strengthens communication through the main use of signs
